*Journey To The Top*

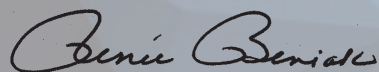

you are invited!

welcome!

The Michigan County Medical Care Facilities Council invites you to join us at our 2019 Spring Management Conference at Boyne Highlands in Harbor Springs, Michigan, June 3-6, 2019.

Each year, the council hosts this conference to provide continuing education, committee meetings, an annual business meeting and a vendor show for nursing home administrators, directors of nursing and governing board members.

To maximize your opportunities, plan to attend the board meeting and all educational sessions. The vendor show allows you to gather information on products and services. Please consider stopping by and saying hello to each vendor who supports this conference, and especially our GPO Preferred Vendors. We welcome your feedback at the end of the conference. It is your input that helps us as we strive to create a better conference experience each and every year. Welcome back to all who join us each year, and welcome to anyone who is a new member of the council.
