Please allow yourself plenty of time to arrive on time. We have a large audience, so we recommend that you login 15 minutes before the webinar's start.

CEs – NHA and Nurses:

You must attend the entire session – morning and afternoon to receive CE's. You must have your camera on at all times unless you are having connection issues. If so, you must notify MCMCFC during the webinar – not at the conclusion. At the conclusion of the program, you must complete the evaluation and return to assistant@mcmcfc.org within 3 business days. Both attendance and completion of the evaluation is required to earn CE.

HANDOUTS:

Handouts are attached to this email. There are two (2) handouts.

- MDS User Manual Draft Updates – for the AM Session
- MCMCFC PDPM Training – for the PM Session

Please note that the slides are one per page due to the small font on some of the pages.

PLEASE BRING: You may find it helpful to have a copy of the MDS Manual and/or any tools that you are using to gather information for the MDS. Bring beverages and snacks. There will be breaks in the morning and afternoon and one-hour for lunch.
